

Your privacy and trust is important to [BP3 Global, Inc.](#) (“BP3 Global”, “we” or “us”).

This statement discloses the information practices for [BP3 Global](#)’s website and SAAS applications, from what type of information about our users is gathered and tracked to how the information is used or processed.

This statement does not apply to instances where we process data on behalf of our customers such as working as a web hosting service provider.

From time to time, we may supplement this Statement with additional information relating to a particular interaction we have with an individual client.

[BP3 Global](#) complies with the US and EU Safe Harbor framework as set forth by the US Department of Commerce.

Collection of Personal Information

You may choose to give us personal information directly in a variety of situations. For example, you may want to give us your name and contact information to communicate with you, to order a product, to process an order, to register for a service, to provide you with a subscription. You may also provide your credit card details to buy something from us. If you tell us that you do not want us to use your information to make further contact with you beyond fulfilling your request, we will respect your wishes.

We may also collect information relating to your use of our [websites](#) and SaaS offerings through the use of various technologies. For example, when you visit our [websites](#) or access our SaaS offerings, we may log certain information that your browser sends us, such as your IP address, browser type and language, access time, and referring Web site addresses, and we may collect information about the pages you view within our sites and other actions you take while visiting us. In addition, some of our software products include technologies that allow [BP3 Global](#) to collect certain information about product use. We may also use such technologies to determine whether you've opened an e-mail or clicked on a link contained in an e-mail. Collecting information in this manner allows us to collect statistics about the usage and effectiveness of our [websites](#), our software products and our SaaS offerings, personalize your experience and tailor our interactions with you.

The information that we collect, either directly or indirectly, may be combined to help us improve its overall accuracy and completeness and to help us better tailor our interactions with you.

Use of Personal Information

Fulfilling your Transaction Request

If you request something from [BP3 Global](#), for example, a product or service, a callback, or specific marketing materials, we will use the information you provide to fulfill your request. To help us do this, we may share information with others, for instance, financial institutions, shipping companies, or postal or government authorities, such as Customs authorities, involved in fulfillment.

Providing Support

We may use your personal information to support products or services you have obtained from us, such as notifying you of a product update or fix.

Marketing

The information you provide to [BP3 Global](#), as well as the information we have collected about you indirectly, may be used for marketing purposes. You may at any time choose not to receive marketing materials from us by following the unsubscribe instructions included in each e-mail you may receive, by indicating so when we call you, or by contacting us directly.

Protect the Rights and Property of [BP3 Global](#)

We may also use or share your information to protect the rights or property of [BP3 Global](#) when we have reasonable grounds to believe that such rights or property have been or could be affected. In addition, we reserve the right to disclose your personal information as required by law [or requested by government officials](#) and when we believe that disclosure is necessary to protect our rights, or the rights of others, or to comply with a judicial proceeding, court order, or legal process served on our [websites](#).

Sharing of Personal Information

[BP3 Global](#) is a global organization with business processes, management structures and technical systems that cross borders. As such, we may share information about you within [BP3 Global](#) and transfer it to countries in the world where we do business in connection with the uses identified above and in accordance with this Privacy Statement. Our Privacy Statement and our practices are designed to provide a globally consistent level of protection for personal information all over the world. This means that even in countries whose laws provide for less protection for your information, [BP3 Global](#) will still handle your information in the manner described [herein](#).

Information Security and Accuracy

We intend to protect your personal information and to maintain its accuracy. [BP3 Global](#) implements reasonable physical, administrative and technical safeguards [designed](#) to help us protect your personal information from unauthorized access, use and disclosure.

Notification of Changes

We will post a notice for 30 days [on](#) this page notifying users when this Privacy Statement is updated or modified in a material way. If we are going to use your personal information in a manner different from that stated at the time of collection, we will notify you, and you will have a choice as to whether or not we can use your personal information in such a way.
